If the building principal is the alleged harasser, the complaint shall be reported to the district compliance coordinator. Complaints by any other person alleging discrimination should be addressed to the building principal or the district compliance coordinator. Complaints about discrimination, including complaints of harassment, will be resolved through the following complaint procedures:

### Informal Procedures

The building principal shall attempt to resolve complaints of discrimination or harassment in an informal manner at the building level. Any school employee who receives a complaint of discrimination harassment from a student, another employee or any other individual shall inform the individual of the employee's obligation to report the complaint and any proposed resolution of the complaint to the building principal. The district prohibits retaliation or discrimination against any person for opposing discrimination including harassment; for participating in the complaint process; or making a complaint, testifying, assisting, or participating in any investigation, proceeding, or hearing.

### Formal Complaint Procedures

- A formal complaint should be filed in writing and contain the name and address of the person filing the complaint. The complaint should briefly describe the alleged violation. If an individual does not wish to file a written complaint and the matter has not been adequately resolved, the building principal may initiate the complaint. Forms for filing written complaints are available in each building office and the central office.
- A complaint should be filed as soon as possible after the conduct occurs, but not later than 180 days after the complainant becomes aware of the alleged violation, unless the conduct forming the basis for the complaint is ongoing.

- If appropriate, an investigation shall follow the filing of the complaint. If the complaint is against the superintendent, the board shall appoint an investigating officer. In other instances, the investigation shall be conducted by the building principal, the compliance coordinator or another individual appointed by the board. The investigation shall be informal but thorough. All interested persons, including the complainant and the person against whom the complaint is lodged, will be afforded an opportunity to submit written or oral evidence relevant to the complaint.
- A written determination of the complaint's validity and a description of the resolution shall be issued by the investigator, and a copy forwarded to the complainant and the accused no later than 30 days after the filing of the complaint.
  - ◊ If the investigation results in a recommendation that a student be suspended or expelled, procedures outlined in board policy and state law governing student suspension and expulsion will be followed.
  - ◊ If the investigation results in a recommendation that an employee be suspended without pay or terminated, procedures outlined in board policy, the negotiated agreement or state law will be followed.
- Records relating to complaints filed and their resolution shall be forwarded to and maintained in a confidential manner by the district compliance coordinator.
- The complainant may appeal the determination of the complaint. Appeals shall be heard by the district compliance coordinator, a hearing officer appointed by the board, or by the board itself as determined by the board. The request to appeal the resolution shall be made within 20 days after the date of the written resolution of the complaint at the lower level. The appeal officer shall review the evidence gathered by the investigator and the investigator's report, and shall afford the complainant and the person against whom the complaint is filed an opportunity to submit further evidence, orally or in writing, within 10 days after the appeal is filed. The appeal officer will issue a written determination of the complaint's validity and a description of its resolution within 30 days after the appeal is filed.
- If discrimination or harassment has occurred, the district will take prompt, remedial action to prevent its reoccurrence. The district prohibits retaliation or discrimination against any person for opposing discrimination, including harassment; for participating in the complaint process; or making a complaint, testifying, assisting, or participating in any investigation, proceeding, or hearing.
- Use of this complaint procedure is not a prerequisite to the pursuit of any other remedies including the right to file a complaint with the Office for Civil Rights of the U.S. Department of Education, the Equal Employment Opportunity Commission, or the Kansas Human Rights Commission.
